

10 AM - 4PM

14 OCT

ULTRIZ-2K25

A professional gathering of innovation, technology & knowledge.

Our symposium brings together students, professionals, and industry experts to foster innovation, share knowledge, and explore opportunities for growth. Expect two days of engaging sessions, competitions, and networking.

TECHNICAL EVENTS

“Tech Events showcase participants’ skills in programming, problem-solving, innovation, and technical knowledge through competitive and interactive challenges designed to test creativity, logic, and technical expertise.”
